# Preface

## Předmluva

JÁN KULA, PAVEL STRÍŽ

Dear T<sub>E</sub>X lovers, developers and users; dear friends, ladies and gentlemen,

You have just opened the conference proceedings from a double-conference, the fourth international C<sub>O</sub>N<sub>T</sub>E<sub>X</sub>T meeting (4CM) and the third T<sub>E</sub>Xperience conference (3TE; an annual C<sub>S</sub>TUG meeting). Both took place in the Brejlov mill (Prague), the Czech Republic, [www.brejlov.cz](http://www.brejlov.cz), on September 13–19, 2010.

The informal conference themes were:

C<sub>O</sub>N<sub>T</sub>E<sub>X</sub>T typesetting documentation, teach as we preach, along with Plain T<sub>E</sub>X, L<sup>A</sup>T<sub>E</sub>X, C<sub>O</sub>N<sub>T</sub>E<sub>X</sub>T and LuaT<sub>E</sub>X are best friends!

We are honoured that the fourth C<sub>O</sub>N<sub>T</sub>E<sub>X</sub>T meeting and the third T<sub>E</sub>Xperience conference took place under the ægis of the Ministry of Education, Youth and Sports of the Czech Republic, [www.msmt.cz](http://www.msmt.cz).

We are also proud that the Czechoslovak T<sub>E</sub>X Users Group, [www.cstug.cz](http://www.cstug.cz), and Faculty of Management and Economics of Tomas Bata University in Zlín, the Czech Republic, [www.fame.utb.cz](http://www.fame.utb.cz), took the patronage of conferences.

Our thanks go to sponsors and benefactors without whom the conferences would be difficult to manage and impossible to make the participants feel like home, surrounded by family and pets.

Enjoy the articles, photos and supplemental material included in the proceedings. We made as few editorial corrections as possible.

We hope we will meet you at a T<sub>E</sub>X or Open Source conference soon. If not then see you in 2013 in Brejlov!

Sincerely Yours,

*Ján Kula, Pavel Stríž*
